Dear Parents and Students of Iron Horse Middle School:

Iron Horse Middle School is very proud to be able to offer our Intramural After School Sports Program to students in all three grade levels. Iron Horse's intramural sports program is a non-competitive, equal opportunity program created in order to give students the opportunity to play sports, make friends, and become a part of the Iron Horse Middle School Community.

In the 2022-2023 school year, we plan to offer Cross Country, Dodgeball, Flag Football Passing League, Volleyball, Badminton, and Basketball. Each season is approximately 4-5 weeks long with two 1 hour games per week. All games and practices will be held at Iron Horse. There are no tryouts or cuts for any after school team. Interested students should attend the informational meeting, which is held prior to the sports' beginning.

As there are no district funds available for after school sports, the program depends solely on parent donations. The parent donation pays for coaches and necessary equipment. **We do request a one-time donation of \$60.00 per sport (\$6 per practice/game).** Any After School Sport that does not receive enough donations will be canceled and all funding will be reimbursed (less \$2.10 processing fee).
